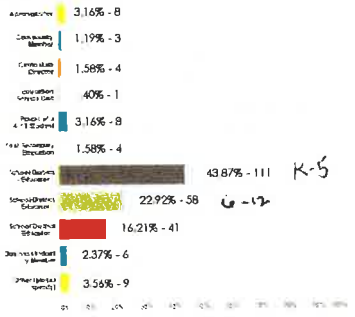
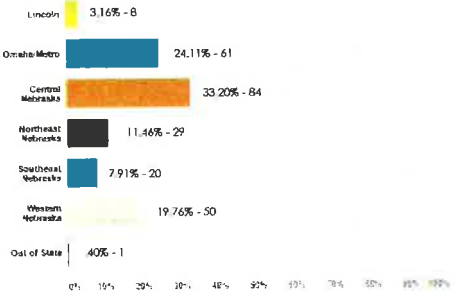
- Electronic Survey – 253 responses
  - 224 were individuals
  - 29 were from groups of educators

Who Responded?



From where?



Key Themes from Comments

- Most concentrated at Grades 9 – 11
- Specificity of the standards was complimented
- Many questions regarding the relationship with NeSA Math
- Need for professional development was reinforced

Key Themes from Comments

- Major content suggestions/comments:
  - ✓ Appropriateness of topics and grade-levels
  - ✓ Sub-categories provide better organization
  - ✓ Rewording suggestions
  - ✓ Suggestion of potentially missing topics
- Addressing the suggestions and comments will help focus edits and strengthen the document
