NeSA Writing Assessment

2015 SCORE VERIFICATION FORM

(This form must accompany each review requested.)

This form is a request for a reconsideration of a NeSA-Writing Assessment student score. Only the total score may be verified. Please attach a written explanation of the request for reconsideration and a copy of the essay in question. The verification process is appropriate **only** for very specific, not general, scoring issues. In addition, verifications are designed **only** for scores that fall below the cut score.

NOTE: The verification process will occur only during the preliminary data audit window in the spring of 2014.

The deadline for submission is May 1, 2015.

If submitting a student essay, the following information MUST accompany the student essay. This information is contained in the student information label that is provided for each assessment booklet. You may affix a copy of the student label here or complete the information:
