Purpose: Enable superintendents to provide district staff with appropriate level of data access.

Activation Codes
4 Role activation codes
Role - Student Data Steward
Role - Basic Student
Role - Staff Data Steward
Role - Basic Staff
3 Program Modifier activation codes
Program - Free & Reduced Lunch
Program - Special Education
Program - Assessment
4 Tool activation codes
Tool - Reprocess Errors
Tool - Graduation Cohort Analysis Tool
Tool - Student Demographics
Tool - Student Lookup by ID

- **All NSSRS Validation access removed after "2010-2011 Correction" window closes (August 12)**
- **New activation codes available when "2011-2012 Fall" window opens (August 22)**
- At least one "Role" activation code will be required before access will be granted to the NSSRS Validation website.
- Roles will include access to any Validations (Errors) and Verification Reports except those that contain Program Modifier data.
- At this time, the only difference between Staff Data Steward and Basic Staff is the ability to Reprocess Errors. Basic Staff can gain this ability if they also receive the Reprocess Errors activation code.
