

NEBRASKA 21st Century Community Learning Centers

WHO WE ARE

21st Century Community Learning Centers (21st CCLC) are authorized under Title IV, Part B of the Elementary and Secondary Education Act. The Nebraska Department of Education administers this federally funded, competitive grant program to establish and support quality expanded learning opportunities when students are not in school (afterschool, summer, and days when school is not in session).

*Quality expanded learning principles include the following:

- » School-community partnerships and resource sharing
- » Engaged learning
- » Family engagement
- » Intentional programming aligned with the school day program
- » Diverse, prepared staff including certificated educators
- » Participation and access
- » Safety, health, and wellness
- » Ongoing assessment and improvement

**Excerpt from the Policy for Expanded Learning Opportunities adopted by the Nebraska State Board of Education on September 6, 2013.*

The three overarching goals of the 21st CCLC program are:
