Free Meals for Children Available Through Summer Food Program

Free meals are available to all children age one to eighteen at specific sites across Nebraska.

Meals are available to children through the Summer Food Service Program (SFSP), a U.S. Department of Agriculture program. The attached *2025 Summer Food Program Sites* list shows the sponsors, dates, and times that meals will be available to all children.

A number of camps and programs are also offering free meals to those children who are enrolled. Please contact organizations in your area that may be offering camps or other enrolled activities.

The SFSP hotline can be reached at 1-866-3-HUNGRY (1-866-348-6479) from Monday through Friday, 8 a.m. to 8 p.m. ET for the latest information about SFSP sites near you.
