Nebraska Students Awarded November Seals of Biliteracy

The Nebraska Department of Education and the Nebraska Seal of Biliteracy Advisory Committee are proud to announce that 168 Seals of Biliteracy have been awarded to Nebraska students in the November round of 2024. These prestigious awards recognize high school students who have achieved a high level of proficiency in English and at least one other language.

The Nebraska Seal of Biliteracy honors students who have embraced this vital skill, demonstrating their proficiency based on the Nebraska World Language Standards, which emphasize communication, cultures, connections, communities, and cognition within a language other than English.

For the November 2024 awards, students showcased their knowledge in Spanish, French, German, and Chinese. Below are the names, printed with parent permission, and their respective award categories.
