Within the next two-three weeks you'll receive an envelope from the Nebraska Department of Education. Three different forms will arrive. One is the fee letter/form for your diploma. Another form you'll find is for an Official Transcript. The fee is \$2 and is also available on our website: [http://www.education.ne.gov/ADED/pdfs/Nebraska\\_GED\\_Transcript\\_Request\\_Form.pdf](http://www.education.ne.gov/ADED/pdfs/Nebraska_GED_Transcript_Request_Form.pdf)

You will also find a form asking you to share your GED® testing success story with others. Your story can help motivate others!

### **Requirements for Issuance of Diploma:**

**Passing test scores:** A minimum standard score of 150 on each of the four tests for a total standard score of 600. A score of 170-200 on a test module indicates college and career readiness in that particular subject area.

**Minimum age:** 18 and is unable to secure a diploma from the high school he/she last attended; or the class of which he/she was a member at the time of withdrawal from school has been graduated for at least one year; and

**Residence:** An individual must have been a resident of Nebraska for at least the 30 days immediately preceding diploma issuance. An individual is also eligible for a State of Nebraska High School Diploma if the GED® scoring requirements have been met and the final period of high school attendance which credit was earned towards graduation was in a Nebraska high school.

Once again: **Congratulations!**
