the Nebraska State Colleges, and the Nebraska Community Colleges

The Nebraska State Board of Education, the Board of Regents for the University of Nebraska, the Board of Trustees of the Nebraska State Colleges, and the Board of Governors for each Community College Area (hereinafter "Organizations") agree to share student data for the purposes of evaluation of and research related to public prekindergarten, elementary, secondary, and postsecondary education to improve education in Nebraska.

The Organizations agree to share data in a manner that safeguards the confidentiality of personally identifiable information in students' education records as defined by the federal Family Education Rights and Privacy Act (FERPA) and any other applicable federal or state laws and regulations. FERPA establishes restrictions on the disclosure and re-disclosure of personally identifiable information in students' education records without the written consent of the parent or eligible student. FERPA permits student information to be used by state educational authorities for the purposes of the evaluation of state or federally supported education programs, and/or conducting research for or on behalf of the state supported schools to improve education.

3. The student data will be maintained in a secure environment by the Organizations and shall not be shared with other parties, entities, or state agencies except as provided herein.
4. The individual student data will not be released outside any of the participating Organizations unless otherwise permitted by law.
5. The participating Organizations will maintain a record of those individuals who are allowed access to the data and shall assure that each person is fully cognizant of the restrictions placed upon use of the data and the restrictions upon its disclosure.

6. The participating Organizations will limit access to student data to those authorized officials, employees and agents of a participating Organization who require the data to develop, share, maintain, analyze and evaluate information for the purposes outlined in this agreement.
7. No external release of reports or information based on the data will include any information that is determined to likely constitute personally identifiable information from an education record of a student unless such release is allowed by FERPA.
8. No compensation will be exchanged between the Organizations for participation in this agreement.
9. The Nebraska Department of Education will maintain the prekindergarten through postsecondary data warehouse to carry out the purposes of this agreement.
10. The Organizations agree that decisions related to the creation, operations, maintenance, and reporting of student data from the prekindergarten through postsecondary data warehouse will be carried out by the data governing council created herein with the following representation:
