

**Update: Nebraska Performance Accountability System
Ne-PAS**

November 2011 - Nebraska Association of School Boards

August 2009	State Board Adopted Belief Statements
November 2010	State Board Approved State Accountability Framework- Part I – Beliefs, Values, Purposes
November 2010-Present	Sub Committee Studied many accountability models
Current Status:	Sub Committee agreed to the following performance indicators: <u>Status Indicators</u> <ul style="list-style-type: none">• NeSA-Reading• NeSA Mathematics• NeSA Writing• NeSA Science• Participation in NeSA Tests• Graduation Rate (high schools only) <u>Improvement</u> <ul style="list-style-type: none">• Differences in average NeSA scale scores from one year to the next with different groups of students.(Grades 3-8 and 11) <u>Growth (Grades 3-8 only)</u> <ul style="list-style-type: none">• Differences in average NeSA scale scores with the same students from one year to the next.
November 2011	Sub Committee established “policy weights” for each of the indicators to determine impact on schools.
