

What School Counseling Programs Teach

Student Standards for Nebraska School Counseling Programs

SKILLS FOR LEARNING Academic Development

Students will acquire the attributes, knowledge and skills that contribute to effective learning in school and across the life span.

Students will complete school with the academic preparation essential to choose from a wide range of substantial post-secondary options, including college.

Students will understand the relationship of academics to the world of work and to life at home and in the community.

SKILLS FOR EARNING Career Development

Students will acquire the skills to investigate the world of work in relation to knowledge of self and to make informed career decisions.

Students will employ strategies to achieve future career goals with success and satisfaction.

Students will understand the relationship between personal qualities, education, training and the world of work.

SKILLS FOR LIVING Personal/Social Development

Students will acquire the knowledge, attributes and interpersonal skills to help them understand and respect self and others.

Students will make decisions, set goals and take necessary action to achieve goals.

Students will understand safety and survival skills.
