

REPRIMAND

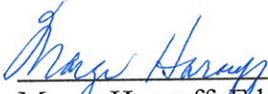

Shelley Bruns
3500 Bandolina
Roswell, NM 88201

Certificate No. XXX-XX-1537
Case No. 08025

Shelley Bruns, a Nebraska school certificate holder, you are hereby reprimanded for violating the standards of professional conduct and ethics. It has been reported that you failed to adhere to the terms of your teaching contract with the Sidney Public Schools for the 2008-2009 school year. You did not fulfill the terms of your contract after the school board refused to accept your letter of resignation at the August 11, 2008, meeting. Due to mitigating circumstances, it is my determination that a reprimand is the appropriate action in this case, rather than more severe sanctions. Your conduct is a violation of Title 92, *Nebraska Administrative Code*, Chapter 27, Section 004.06C (effective date: November 12, 2003), which states, "the educator: Shall give prompt notice to the employer of any change in availability of service".

Any further unprofessional or unethical conduct may result in the suspension or revocation of your Nebraska school certificate.

Dated this 22nd day of December 2008.

Marge Harouff, Ed.D.
Deputy Commissioner

This reprimand is public and is subject to publication. A copy of this reprimand will be maintained by the Department of Education. Additionally, a notation will appear on your official certificate record that you received a reprimand on this date.
