Requirements for School Districts Receiving State Fiscal Stabilization Funds\*\*  
79-1028.02 RRS

For each of school fiscal years 2009-10 and 2010-11, the American Recovery and Reinvestment Act percentage shall equal the amount of funding from the federal American Recovery and Reinvestment Act of 2009 to be distributed through the Tax Equity and Educational Opportunities Support Act for such school fiscal year divided by the total equalization aid to be distributed pursuant to the Tax Equity and Educational Opportunities Support Act for such school fiscal year. For each school district, the American Recovery and Reinvestment Act allocation shall equal the equalization aid to be distributed to the school district for such school fiscal year multiplied by the American Recovery and Reinvestment Act percentage for such school fiscal year. Such allocation shall only be distributed upon filing of an application signed by the Superintendent and school board president of a school district and filed with the department by the superintendent of such school district, which application meets the requirements of the federal American Recovery and Reinvestment Act of 2009 and is approved by the Governor or his or her designee. A school district shall account for, report, and spend such allocation as required by the federal American Recovery and Reinvestment Act of 2009. Such allocation shall not be considered a special grant fund and shall be considered state aid for all purposes except as otherwise provided in this section and the federal American Recovery and Reinvestment Act of 2009.

The Superintendent and president of the school board must make application to the Department in order to be eligible to receive the 2010-11 State Fiscal Stabilization Funds (SFSF) under American Recovery and Reinvestment Act of 2009 (ARRA) that are being distributed through the Tax Equity and Educational Opportunities Support Act (TEEOSA). In addition, any school district whose application is approved will be required to account for, report, and spend such funds as required by ARRA.

The Department intends to have the application for 2010-11 SFSF ARRA funds available to school districts on or before August 1, 2010. Information about the application and requirements for SFSF ARRA funds will be posted on the Nebraska Department of Education website prior to August 1, 2010. Information about ARRA can be obtained at the following websites:

Education Jobs Fund (Ed Jobs)\*\*\*

For school fiscal year 2010-11, the federal Education Jobs Fund (Ed Jobs) allocation shall equal any increases in state aid for school fiscal year 2010-11 from the first certification in 2010 to the second certification on or before March 1, 2011. Such allocation shall only be payable upon meeting the requirements of this section, including approval by the Governor or his or her designee of either an application pursuant to section 79-1028.02 or an application for funding filed pursuant to this section which meets the requirements of the federal American Recovery and Reinvestment Act of 2009, signed by the superintendent and school board president of a school district and filed with the department by the superintendent of such school district. A school district shall account for, report, and spend such allocation as required by section 101 of Public Law 111-226. Such allocation shall not be considered special grant funds and shall be considered state aid for all purposes except as otherwise provided in this section and section 101 of Public Law 111-226. Such allocation shall not be adjusted in the final calculation of state aid pursuant to section 79-1065. Such allocation shall be included in the total state aid which may be adjusted pursuant to section 79-1065. Expenditures of such allocation shall be considered expenditures from the general fund of the school district and shall be included in general fund operating expenditures. Separate coding is required and can be found in the frequently asked question and answer section on the Nebraska Department of Education American Recovery and Reinvestment Act Education Jobs Program webpage.
