School: Alliance High School

Summary of Topic:

Learning Styles

Main Curriculum Tie:

Introducing unit on learning styles.

Required Materials for Lesson:

Pre-test.

Background for Teacher:

Many of today's students know what type of teaching style they prefer. They need help identifying their personal learning style or styles. Then they can adapt the way they study.

Student Prior Knowledge:

This can be used to test what students know before teaching the learning style unit.

Intended Learning Outcome:

Students will become aware of the different learning styles.

Instructional Procedure:

Pre-test:

- | | |
|----------------------|---|
| 1. _____ Visual | a. Prefers to study alone. |
| 2. _____ Auditory | b. Needs to see data with their eyes. |
| 3. _____ Verbal | c. Needs to speak in order to think. |
| 4. _____ Kinesthetic | d. Needs to hear the spoken word. |
| 5. _____ Social | e. Enjoys group synergy and lively discussions. |
| 6. _____ Solitary | f. Needs to touch and manipulate items. |

How to Measure Outcome:

The teacher can use this pre-test to find out what students know about learning styles before sharing learning styles with the students.
