

Targeted Teaching Topic

Author: Deb Koehlmoos
School: Pierce Public Schools

Summary of Topic:

Team Conflict

Main Curriculum Tie:

Professionalism.

Required Materials for Lesson:

- Find examples of a common every day conflict.
- Handout that contains a health care scenario at possible conflict.

Background for Teacher:

Know examples of conflict resolution and team building skills.

Student Prior Knowledge:**Intended Learning Outcome:**

Importance of professionalism and teamwork.

Instructional Procedure:

- Give students a common everyday example of situations in which conflict occurs.
- Put students in groups of 3-4.
- Have them brainstorm ways of resolving.
- As a class, discuss and give ideas. Suggest a win-win compromise.
- Give a health care scenario in which you follow the same steps as above.

How to Measure Outcome:

Observation.
