## Nebraska Family and Consumer Sciences

Volume I, Issue 4

“Without continual growth and progress, such words as improvement, achievement, and success have no meaning.  
-Benjamin Franklin

### Fall Workshops are around the corner!

While the beginning of the school year brings many things, I'm sure that the excitement of FACS/Health Science Fall Workshops are number one on your list!

Ok, admittedly, there are lots of other exciting things but here at NDE, we have been working very hard as a Career and Technical Education team and as a Family and Consumer Sciences and Health Sciences team to put together a great set of Fall Workshops.

Fall Workshops are annually held by all of the CTE areas around the great state of Nebraska. These are an opportunity to share resources, learn about exciting opportunities, connect with your professional organizations, and network with area professionals.

This year, these meetings will be at the following locations:

- October 3, Norfolk-NECC Life Long Learning Center
- October 6, Omaha-ESU3
- October 9, Lincoln-Community Action Partnerships
- October 23, Grand Island-College Park
- October 28, North Platte-Margie's Grill
- October 30, Scottsbluff-WNCC

All workshops begin at 9:00 AM and will conclude by 4:00 PM. These workshops will be facilitated by Carol Ringenberg and Allison Kreifels of the Nebraska Department of Education.

Thanks to the generous support from Partnerships for Innovation who is providing lunch at all the workshops, there is NO COST to attend these meetings!

### Mission

Nebraska Family and Consumer Sciences integrates family and career readiness with technical skill instruction within a critical science perspective. As a result, our students are empowered to navigate the challenges of living and working in diverse communities, while striving for a high quality of life.

We do ask that you register online at <http://www.education.ne.gov/nce/ConferencesWorkshops.html> by September 17 to ensure we have enough space and resources for each individual.

**We are looking forward to seeing all of you in October!**

### Call to Action

Register for Fall Workshops at <http://www.education.ne.gov/nce/Conferences-Workshops.html>

Be sure to select the FACS Fall Workshops to be in the correct career field!

### CSO Spotlight

#### FCCLA

Advisers who are attending FLW, be sure to check your email for last updates before you leave. Allison will be sending out parking and location specific details later this week.

We are looking forward to seeing all of you in North Platte and Lincoln next week!

2014-2015 Nebraska FCCLA State Officer Team
