E-Rate Modernization Order - The FCC released the [E-Rate Modernization Order](#) on July 23, 2014. The Order contains changes that will affect applicants starting Funding Year 2015.

Eligible Services List: On Tuesday, October 28, 2014, the Federal Communications Commission (FCC) issued an Order releasing the [Eligible Services List](#) (ESL) for FY2015. In addition to the ESL, the Order also listed services and components no longer eligible for support for FY2015 in an appendix.
