SUBJECT: Accreditation of Educational Service Units for the 2011-12
School Year

PROPOSED BOARD ACTION

It is recommended that Educational Service Units 1 through 19 be granted accreditation for the 2011-12 school year.

BACKGROUND INFORMATION

All of the Educational Service Units have submitted a statement of assurance indicating compliance with the provisions of Rule 84. Based on the assurance statements, a review of their staff qualifications, and other relevant documents, all the service units are found to be in compliance with Rule 84 (*Regulations for Educational Service Units*) and are thereby entitled to be accredited for the 2011-12 school year (See attached list). Educational Service Units will continue to operate in the 2010-11 school year and provide support to Nebraska's school systems. The State Board in April 2010 took action to accredit the Educational Service Units for 2010-11.

Estimated Cost
