

TO: Roger Breed, Ed.D.
Commissioner of Education

FROM: Mary Ann Losh

SUBJECT: Update on the Development of Rule 15—Regulations for Limited English Proficiency Programs.

Proposed Board Action:

Update on the Development of Rule 15—Regulations for Limited English Proficiency Programs. No action proposed.

Background Information:

The external stakeholder committee met on April 20. Participants represented Superintendents, Principals, Curriculum Coordinators, and teachers from both general and LEP perspectives. The participants were selected to represent both large and small schools from across the state. The areas of discussion were: identification, instructional programs, staffing, assessments and accommodations, exiting process, and program review. The input and discussions were very helpful and will assist in the rule development process. Another meeting of this group is being scheduled to provide further recommendations as the process of developing a hearing draft continues.

Estimated Cost:

Estimated cost is \$9,000.
