

TO: Roger Breed, Ed.D.
Commissioner of Education

FROM: Diane Stuehmer, Senior Administrator

SUBJECT: Contract with Meiner Solutions, LLC

Proposed Board Action:

Grant the Commissioner authority to continue contracting with Meiner Solutions, LLC, to provide maintenance and enhancements to the NDE Data System.

Background Information:

The contractor, Meiner Solutions, LLC, is the developer of the computer system that provides the basis for the annual collection and reporting of data required by No Child Left Behind (NCLB). Contracted services will also include updates to this system such as procedural modifications and report production. In addition, the contractor will provide maintenance, application development, system component design/implementation, and enhancements the following systems: Teacher Certification, Early Childhood Education, Special Education, Approval and Accreditation, Data and Curriculum, and NSSRS Staff. The work with these systems will support more efficient integration of the individual systems into the total NDE Data System for purposes of state and federal reporting requirements.

Estimated Cost:

\$100,000.00
