

TO: Scott Swisher, Ed.D.
Deputy Commissioner of Education

FROM: Dean Folkers

SUBJECT: Contract with Double Line, Inc.

Proposed Board Action:

Grant the Deputy Commissioner the authority to contract with Double Line, Inc. for assistance with the implementation of the Data Dashboard as part of the SLDS grant.

Background Information:

The SLDS grant has provides an opportunity to pilot a secure data dashboard for educators using the Ed Fi Dashboard tool. The secure implementation of the dashboards works to integrate data from the state SLDS as well as selected local data to support successful school improvement through effective teaching and learning goals. Double Line, Inc. developed the dashboard tool and has significant experience in state and district implementation. As the developers of the application the opportunity to engage the technical and process support along with the experience of implementing dashboards a number of other states will save significant time and resources.

Estimated Cost:

1,209,000.00
