I have served in the following professional capacities: President’s Advisory Council (University of Nebraska), President of Western Trails Conference, Member of Nebraska Rural Community Schools Association’s Scholarship and Recognition Committee, Board Member for Community Action Partnership of Western Nebraska, AdvancED Field Consultant, Quality Assurance Review (QAR) Chair, QAR team member, Past Region V NSASSP Secretary/Treasurer, School Board Member (Potter-Dix Public Schools 1997-2001), Nebraska-Led Peer Review of Assessments (NDE) 2006-2007,

Please explain your interest in serving on this council/committee:

I would deeply appreciate consideration for continued service on this committee as I have seen first hand how the school improvement process can be transformative under both the AdvancED process and under Rule 10. Over the past 7 years I have worked in two school districts as we aligned the continuous improvement process to make marked gains in school district capacity to meet the needs of our students and our community. I believe that I bring somewhat of a statewide perspective to the committee, as I have served in schools in the Omaha metro area (Gretna) and in the Panhandle (Leyton, Banner County, and Bayard) in addition to my past employment as a staff development specialist at ESU#13. These experiences along with my experience as a former school board member have helped to give me a unique view of education in our state. I look forward to the opportunity to serve the state through my membership on the committee should my nomination be approved.

For the past 11 years I have been Dean of Graduate Studies in Educational Leadership for Doane College. The EDL Program is a Masters Degree Program that leads to a Principal Endorsement. I teach two Cadres (all classes) throughout the two year experience, one in Omaha and one in Lincoln. In addition, I work closely with the Education Specialist Program (EdS) at Doane which leads to a Superintendent Endorsement. The EDL Program features as its major culminating project a one-year School Improvement Project that is patterned off the process required of Nebraska Schools by the Nebraska Department of Education. Both the EDL and EdS Programs closely follow the accreditation process, utilizing the AdvancEd standards within the program curriculum.

I have served on External Visitation Teams for accreditation purposes for Columbus Public Schools (1995-96, and 2000), Elkhorn Public Schools (1996-98, 2002), and Omaha Creighton Preparatory School (2012). I have participated in numerous workshops for training (The AdvancED Process; North Central Quality Assurance Review Training; National Council for Accreditation of Teacher Education, NCATE, Institutional Orientation and Professional Development Conference; Nebraska Department of Education School Improvement Process) and have been a part of the accreditation process for both PK-12 schools and at the college level (NCA, AdvancEd, Higher Learning Commission, NCATE.)

See attached Resume

Please explain your interest in serving on this council/committee: (Box will expand)

To keep current on issues, trends, and policy that impact colleges, like Doane, who serve Nebraska PreK-12 learners. To gain in experience and knowledge of the impact the accreditation process has on programs that serve teacher and leaders of PK-12 education. To assist in the process that has been designed to assure PK-12 students in Nebraska have quality learning experiences.
