SUBJECT: Teacher and Principal Effectiveness

Proposed Board Action:

None - Update on Teacher\Principal Design \Pilot Phase

Background Information:

In February 2012, the State Board authorized the development of evaluation models for teachers and principals based on the Nebraska Framework for Teacher and Principal Effectiveness. In November 2012, the State Board approved a set of recommendations brought forth by the Teacher Principal Leadership Committee to provide direction to the next step of the process; the Design/Pilot Phase. Seventeen school districts from across the state have signed MOUs to participate in this phase. This update will share the different components, processes, and procedures the pilot schools are currently working on, the various products to be expected, and a time line for completion of this phase of the project.

Estimated Cost:

\$50,000 - Federal Title II
