

TO: Roger Breed, Ed.D.
Commissioner of Education

FROM: Mark Schultz, Assistant Commissioner

SUBJECT: Authorize the Commissioner to approve computer equipment for VR upgrade

Proposed Board Action:

Grant the Commissioner the authority to approve computer equipment for VR upgrade

Background Information:

Nebraska VR is requesting approval to spend up to \$225,000 for computer equipment upgrades for VR staff. The majority of VR computers are now over six years old. Equipment upgrades are needed to accommodate staff requirements and changes in technology. The computer upgrade project will directly support the Nebraska VR mobile office initiative by extending and improving the delivery of VR services to clients.

Estimated Cost:

\$225,000.00
