SUBJECT: Accreditation of Educational Service Units for the 2013-2014 School Year

Proposed Board Action:

Approve accreditation for the Educational Service Units appearing on the accompanying list for the 2013-2014 school year in accordance with the provisions of Rule 84 (92 NAC 84), "Regulations for Educational Service Units".

Background Information:

All of the Educational Service Units have submitted a statement of assurance indicating compliance with the provisions of Rule 84. Based on the assurance statements, a review of their staff qualifications, and other relevant documents, all the service units are found to be in compliance with Rule 84 and are thereby entitled to be accredited for the 2013-2014 school year. Educational Service Units will continue to operate in the 2013-2014 school year and provide support to Nebraska's school systems. The State Board in April 2012 took action to accredit the Educational Service Units for 2012-2013.
