FROM: Diane Stuehmer, Federal Programs Administrator.

SUBJECT: Authorize the Commissioner to contract with Colyar Consulting Group, Inc for a period from July 1, 2014 to June 30, 2014 for the purpose of maintaining the aspCNP and .netCNP systems.

Proposed Board Action:

Authorize the Commissioner to contract with Colyar Consulting Group, Inc for a period from July 1, 2014 to June 30, 2014 for the purpose of maintaining the aspCNP and .netCNP systems.

Background Information:

Nutrition Services implemented a web-based reporting system in 2000. The aspCNP system has been upgraded to the .netCNP system. NDE will need access to the aspCNP system in order to access historical information regarding applications and payments. The maintenance for this system will be very minimal as only NDE staff will be accessing it. The new .netCNP system will require ongoing maintenance to insure uninterrupted service to schools and institutions. USDA provides the funding for the web-based reporting system.

Estimated Cost:

\$137,100
