

TO: Matthew L. Blomstedt, Ph.D.
Commissioner of Education

FROM: Mary Ann Losh, Jolene Palmer

SUBJECT: Grant the Commissioner the authority to contract for Nebraska Positive Behavioral and intervention Support (NPBiS) technology services.

Proposed Board Action:

Grant the Commissioner the authority to contract for technology services for the federally funded Nebraska Positive Behavioral and interventions Support training network.

Background Information:

This contract will provide technology services for the federally funded Nebraska Positive Behavioral and interventions Support (NPBiS) training network. Specifically the contractor (CoderCraft, Inc.) will update, design, develop and implement software required to make the website interactive and a training tool for school buildings in the NPBiS network. Some examples of the opportunities this software will provide schools: videos and materials will be available to supplement face to face training, training activities will be archived so building teams can access previously completed training and materials, information will be maintained on previous team members and what training was attended and teams will be able to receive and input promising local practices for the essential elements of NPBiS.

Estimated Cost:

Up to \$47,049.00
