SUBJECT: Approve amendment to contract with Liberty Centre Services, Inc. to provide a supported employment program to serve VR mental health consumers.

Proposed Board Action:

Approve amendment to contract with Liberty Centre Services, Inc. to provide a supported employment program to serve VR mental health consumers.

Background Information:

VR and HHS continue to maintain a partnership that provides funds for supported employment programs that assist VR consumers in achieving and maintaining employment. Due to plans by VR/HHS to revise the payment structure of the contracts by the end of the state fiscal year, contracts were written for 9 months (Oct. 1, 2013 - June 30, 2014). Delays in the development of the revised payment structure have created a need to extend the contract to a full year (3 additional months) to allow more time to finalize the revised payment structure and new agreement.

Estimated Cost:

\$25,000.00
