

University of Nebraska - Kearney
Alternative, IHE-based Program

2014 | Title II
Reports

Complete Report Card

AY 2012-13

Institution Information

Name of Institution: University of Nebraska - Kearney

Institution/Program Type: Alternative, IHE-based

Academic Year: 2012-13

State: Nebraska

Address: College of Education C116
1615 West 24th Street
Kearney, NE, 68849

Contact Name: Dr. Dennis Potthoff

Phone: 302-865-8814

Email: potthoffd@unk.edu

Is your institution a member of an HEA Title II Teacher Quality Partnership (TQP) grant awarded by the U.S. Department of Education?
(<http://www2.ed.gov/about/offices/list/oii/tqp/index.html>)

No

If yes, provide the following:

Award year:

Grantee name:

Project name:

Grant number:

List partner districts/LEAs:

List other partners:

Project Type:

Section I.a Program Information

List each teacher preparation program included in your alternative, ihe-based route. Indicate if your program or programs participate in a Teacher Quality Partnership Grant awarded by the U.S. Department of Education as described at <http://www2.ed.gov/about/offices/list/oii/tqp/index.html>.

| Teacher Preparation Programs | Teacher Quality Partnership Grant Member? |
|--|---|
| Transitional Certification Program (TCP) | No |
| Total number of teacher preparation programs: 1 | |

Section I.b Admissions

Indicate when students are formally admitted into your initial teacher certification program:

Postgraduate Candidates must be offered employment by a school to be eligible for the program.

Does your initial teacher certification program conditionally admit students?

No

Provide a link to your website where additional information about admissions requirements can be found:

<http://aaunk.unk.edu/catalogs/12-13cat/ed/edteachcert.asp>

Please provide any additional comments about or exceptions to the admissions information provided above:

The candidate in the Transitional Certification Program (TCP) is required to have previously earned a minimum of a baccalaureate degree. In addition, the candidate is expected to have completed a major in the area of teaching certification that is being sought or have completed at least 75% of the content area credit hours required by the Nebraska Department of Education for the teaching endorsement area sought. The candidate's undergraduate transcript is reviewed to determine if there are any deficits in content area coursework. Any deficits in content coursework are required to be completed prior to completion of the program. This content coursework is completed in addition to the required TCP coursework. Effective Fall 2013, candidates must have achieved a prior overall GPA of 2.75 to be eligible for program admission. Maintaining a 2.75 is also a requirement for program exit. Successful completion of the PRAXIS I (PPST) is based on using a total score calculation for all three tests. The sum total must be at least a minimum score of 513 with minimum scores of 171 in math, 170 in reading, and 172 in writing. Candidates have until enrollment in TE 403 to complete the PRAXIS I requirement. Thus, the number of candidates admitted to the program with full admission into Teacher Education will not be reflective of total enrollment in courses until enrollment in TE 403. With regard to background checks, they are the responsibility of the hiring school district.

Section I.b Undergraduate Requirements

Please provide the following information about your teacher preparation program's entry and exit requirements. (§205(a)(1)(C)(i))

Are there initial teacher certification programs at the undergraduate level?

Yes

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the Undergraduate level.

| Element | Required for Entry | Required for Exit |
|---|---------------------------|--------------------------|
| Transcript | Yes | Yes |
| Fingerprint check | No | No |
| Background check | No | Yes |
| Minimum number of courses/credits/semester hours completed | Yes | Yes |
| Minimum GPA | Yes | Yes |
| Minimum GPA in content area coursework | No | No |
| Minimum GPA in professional education coursework | No | No |
| Minimum ACT score | No | No |
| Minimum SAT score | No | No |
| Minimum basic skills test score | Yes | Yes |
| Subject area/academic content test or other subject matter verification | No | No |
| Recommendation(s) | Yes | Yes |
| Essay or personal statement | No | No |
| Interview | No | No |
| Other | No | No |

What is the minimum GPA required for admission into the program?

2.75

What was the median GPA of individuals accepted into the program in academic year 2012-13

3.4

What is the minimum GPA required for completing the program?

2.75

What was the median GPA of individuals completing the program in academic year 2012-13

3.4

Please provide any additional comments about the information provided above:

The minimum GPA moved to 2.75 beginning with the Fall 2013 semester.

Section I.b Postgraduate Requirements

Please provide the following information about your teacher preparation program's entry and exit requirements. (§205(a)(1)(C)(i))

Are there initial teacher certification programs at the postgraduate level?

Yes

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the Postgraduate level.

| Element | Required for Entry | Required for Exit |
|---|--------------------|-------------------|
| Transcript | Yes | Yes |
| Fingerprint check | No | No |
| Background check | No | No |
| Minimum number of courses/credits/semester hours completed | Yes | Yes |
| Minimum GPA | Yes | Yes |
| Minimum GPA in content area coursework | Yes | Yes |
| Minimum GPA in professional education coursework | No | No |
| Minimum ACT score | No | No |
| Minimum SAT score | No | No |
| Minimum basic skills test score | No | Yes |
| Subject area/academic content test or other subject matter verification | No | No |
| Recommendation(s) | No | Yes |
| Essay or personal statement | No | No |
| Interview | No | No |
| Other | No | No |

What is the minimum GPA required for admission into the program?

2.75

What was the median GPA of individuals accepted into the program in academic year 2012-13

3.5

What is the minimum GPA required for completing the program?

2.75

What was the median GPA of individuals completing the program in academic year 2012-13

3.6

Please provide any additional comments about the information provided above:

Effective Fall 2013, the minimum grade point average for admission and also for exit from the (post-baccalaureate) alternative certification program increased to 2.75. With regard to background checks, they are the responsibility of the hiring school district.

Section I.c Enrollment

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled.

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

[Additional guidance on reporting race and ethnicity data.](#)

| | |
|---|----|
| Total number of students enrolled in 2012-13: | 17 |
| Unduplicated number of males enrolled in 2012-13: | 6 |
| Unduplicated number of females enrolled in 2012-13: | 11 |

| 2012-13 | Number enrolled |
|--|-----------------|
| <i>Ethnicity</i> | |
| Hispanic/Latino of any race: | 3 |
| <i>Race</i> | |
| American Indian or Alaska Native: | 0 |
| Asian: | 0 |
| Black or African American: | 1 |
| Native Hawaiian or Other Pacific Islander: | 0 |
| White: | 13 |
| Two or more races: | 0 |

Section I.d Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2012-13.

| | |
|--|-----|
| Average number of clock hours of supervised clinical experience required prior to student teaching | 100 |
|--|-----|

| | |
|---|-----|
| Average number of clock hours required for student teaching | 640 |
| Average number of clock hours required for mentoring/induction support | 0 |
| Number of full-time equivalent faculty supervising clinical experience during this academic year | 1 |
| Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff) | 46 |
| Number of students in supervised clinical experience during this academic year | 44 |

Please provide any additional information about or descriptions of the supervised clinical experiences:

Candidates in the Transitional Certification Program (TCP) must be employed by a school district and issued a Transitional Teaching certificate by the Nebraska Department of Education in order to participate in the program. As of Fall 2011, the TCP can be completed in two academic years. In the two year program, candidates complete a six credit hour TE 401 course in the first fall semester and complete TE 404, Transitional Student Teaching I, for six credit hours during the spring semester of the first year. TE 404 meets the 100 hour requirement as well as part of the student teaching credit hour requirements. In year two of the program, in addition to completing two 6 credit hour courses (TE 402 in the summer and TE 403 in the fall) candidates' academic schedule includes enrollment in TE 405, Transitional Student Teaching II for six credit hours during spring of the second year. During TE 405, candidates complete the remainder of the 640 hours of student teaching. Throughout their entire program the candidates will be teaching a full schedule assigned by their employing school district. The University provides a supervisor for each transitional teacher. The TCP is not responsible for mentoring/induction (and thus the report of zero hours above); the hiring school districts are responsible for the type and level of mentoring/induction support that is provided.

With regard to the supervision questions above, our transitional program supervision team included one full time UNK employee, two adjunct faculty who were paid employees of UNK, and 44 individuals, typically principals, who were most responsible for supervising the "44 students" participating in this alternative transition to teaching program.

Section I.e Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2012-13. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. (§205(b)(1)(H))

| Subject Area | Number Prepared |
|--|-----------------|
| Education - General | 21 |
| Teacher Education - Special Education | |
| Teacher Education - Early Childhood Education | |
| Teacher Education - Elementary Education | |
| Teacher Education - Junior High/Intermediate/Middle School Education | |
| Teacher Education - Secondary Education | 20 |
| Teacher Education - Multiple Levels | 1 |
| Teacher Education - Agriculture | 1 |
| Teacher Education - Art | 1 |
| Teacher Education - Business | 2 |

| | |
|--|----|
| Teacher Education - English/Language Arts | |
| Teacher Education - Foreign Language | 2 |
| Teacher Education - Health | |
| Teacher Education - Family and Consumer Sciences/Home Economics | 1 |
| Teacher Education - Technology Teacher Education/Industrial Arts | |
| Teacher Education - Mathematics | |
| Teacher Education - Music | |
| Teacher Education - Physical Education and Coaching | |
| Teacher Education - Reading | |
| Teacher Education - Science Teacher Education/General Science | 11 |
| Teacher Education - Social Science | 2 |
| Teacher Education - Social Studies | |
| Teacher Education - Technical Education | |
| Teacher Education - Computer Science | |
| Teacher Education - Biology | |
| Teacher Education - Chemistry | |
| Teacher Education - Drama and Dance | 1 |
| Teacher Education - French | |
| Teacher Education - German | |
| Teacher Education- History | |
| Teacher Education - Physics | |
| Teacher Education - Spanish | 2 |
| Teacher Education - Speech | |
| Teacher Education - Geography | |
| Teacher Education - Latin | |
| Teacher Education - Psychology | |
| Teacher Education - Earth Science | |
| Teacher Education - English as a Second Language | |
| Teacher Education - Bilingual, Multilingual, and Multicultural Education | |
| Education - Other Specify: Religion (3); | 3 |

Section I.e Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2012-13. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. (§205(b)(1)(H))

| Academic Major | Number Prepared |
|--|-----------------|
| Education - General | 21 |
| Teacher Education - Special Education | |
| Teacher Education - Early Childhood Education | |
| Teacher Education - Elementary Education | |
| Teacher Education - Junior High/Intermediate/Middle School Education | |
| Teacher Education - Secondary Education | |
| Teacher Education - Agriculture | |
| Teacher Education - Art | |
| Teacher Education - Business | |
| Teacher Education - English/Language Arts | |
| Teacher Education - Foreign Language | |
| Teacher Education - Health | |
| Teacher Education - Family and Consumer Sciences/Home Economics | |
| Teacher Education - Technology Teacher Education/Industrial Arts | |
| Teacher Education - Mathematics | |
| Teacher Education - Music | |
| Teacher Education - Physical Education and Coaching | |
| Teacher Education - Reading | |
| Teacher Education - Science | |
| Teacher Education - Social Science | |
| Teacher Education - Social Studies | |
| Teacher Education - Technical Education | |
| Teacher Education - Computer Science | |
| Teacher Education - Biology | |
| Teacher Education - Chemistry | |
| Teacher Education - Drama and Dance | |
| Teacher Education - French | |
| Teacher Education - German | |

| | |
|--|---|
| Teacher Education - History | |
| Teacher Education - Physics | |
| Teacher Education - Spanish | |
| Teacher Education - Speech | |
| Teacher Education - Geography | |
| Teacher Education - Latin | |
| Teacher Education - Psychology | |
| Teacher Education - Earth Science | |
| Teacher Education - English as a Second Language | |
| Teacher Education - Bilingual, Multilingual, and Multicultural Education | |
| Education - Curriculum and Instruction | |
| Education - Social and Philosophical Foundations of Education | |
| Liberal Arts/Humanities | |
| Psychology | |
| Social Sciences | |

| Other Specify: | |

Section I.f Program Completers

Provide the total number of teacher preparation program completers in each of the following academic years:

2012-13: 21

2011-12: 33

2010-11: 32

Section II Annual Goals - Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1)(A)(ii), §206(a))

Information about teacher shortage areas can be found at <http://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in mathematics in each of three academic years.

Academic year 2012-13

Did your program prepare teachers in mathematics in 2012-13?

Yes

How many prospective teachers did your program plan to add in mathematics in 2012-13?

2

Did your program meet the goal for prospective teachers set in mathematics in 2012-13?

No

Description of strategies used to achieve goal, if applicable:

The intended goal of 2 was NOT met (0 program completers in 2012-2013).

All candidates in the transitional certification program (TCP) must be current residents of the state of Nebraska. They must also meet the pre-requisite of having previously earned at least a baccalaureate degree in a academic discipline that is taught in secondary schools in Nebraska. Generally, the TCP has failed to attract applicants who have a sufficiently strong background in mathematics to pursue the math teaching endorsement. The institution has worked to improve quality and visibility of the alternative TCP program.

Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

1. One next step is to ratchet up program visibility and accessibility. Specific steps particularly germane to math teachers will be formulated.
2. One major pending step is a change in the level of the coursework. Beginning in the Fall 2013, the TCP will transition from being delivered via undergraduate (post-graduate) courses to a series of graduate level courses and clinical experiences. We believe this change will increase the appeal for potential transitional teaching candidates.

Provide any additional comments, exceptions and explanations below:

Academic year 2013-14

Is your program preparing teachers in mathematics in 2013-14?

Yes

How many prospective teachers did your program plan to add in mathematics in 2013-14?

2

Provide any additional comments, exceptions and explanations below:

See the comment box above.

Academic year 2014-15

Will your program prepare teachers in mathematics in 2014-15?

Yes

How many prospective teachers does your program plan to add in mathematics in 2014-15?

2

Provide any additional comments, exceptions and explanations below:

See comments boxes above.

Section II Annual Goals - Science

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing

professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1)(A)(ii), §206(a))

Information about teacher shortage areas can be found at <http://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in science in each of three academic years.

Academic year 2012-13

Did your program prepare teachers in science in 2012-13?

Yes

How many prospective teachers did your program plan to add in science in 2012-13?

3

Did your program meet the goal for prospective teachers set in science in 2012-13?

Yes

Description of strategies used to achieve goal, if applicable:

A total of 11 individuals, in 2012-13, completed certification in the area of 7-12 Natural Science. This level of productivity was gratifying. The goal is to continue to attract individuals who are residents of the state of Nebraska and also have a baccalaureate degree in a science discipline to the TCP Alternative Program.

Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

Provide any additional comments, exceptions and explanations below:

The TCP program took steps in 2011-2012 to upgrade the quality and visibility of information available. We continued to build awareness of the TCP amongst school districts across the state. Beginning in the Fall 2013, the TCP will transition from being delivered via undergraduate (post-graduate) courses to a sequence comprised of graduate level courses and clinical experiences. We believe this change in the level of the coursework will increase the appeal for potential transitional teaching candidates.

Academic year 2013-14

Is your program preparing teachers in science in 2013-14?

Yes

How many prospective teachers did your program plan to add in science in 2013-14?

3

Provide any additional comments, exceptions and explanations below:

The TCP program took steps in 2011-2012 to upgrade the quality and visibility of information available. We continued to build awareness of the TCP amongst school

districts across the state. Beginning in the Fall 2013, the TCP will transition from being delivered via undergraduate (post-graduate) courses to a sequence comprised of graduate level courses and clinical experiences. We believe this change in the level of the coursework will increase the appeal for potential transitional teaching candidates.

Academic year 2014-15

Will your program prepare teachers in science in 2014-15?

Yes

How many prospective teachers does your program plan to add in science in 2014-15?

6

Provide any additional comments, exceptions and explanations below:

Section II Annual Goals - Special Education

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1)(A)(ii), §206(a))

Information about teacher shortage areas can be found at <http://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in special education in each of three academic years.

Academic year 2012-13

Did your program prepare teachers in special education in 2012-13?

No

How many prospective teachers did your program plan to add in special education in 2012-13?

Did your program meet the goal for prospective teachers set in special education in 2012-13?

Data not reported

Description of strategies used to achieve goal, if applicable:

Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

Provide any additional comments, exceptions and explanations below:

The special education certification requirements are exceedingly difficult to meet within the parameters of the TCP program. The TCP Program is not a realistic one for special education certification at this time.

Academic year 2013-14

Is your program preparing teachers in special education in 2013-14?

No

How many prospective teachers did your program plan to add in special education in 2013-14?

Provide any additional comments, exceptions and explanations below:

The special education certification requirements are exceedingly difficult to meet within the parameters of the TCP program. The TCP Program is not a realistic one for special education certification at this time.

Academic year 2014-15

Will your program prepare teachers in special education in 2014-15?

No

How many prospective teachers does your program plan to add in special education in 2014-15?

Provide any additional comments, exceptions and explanations below:

The special education certification requirements are exceedingly difficult to meet within the parameters of the TCP program. The TCP Program is not a realistic one for special education certification at this time.

Section II Annual Goals - Instruction of Limited English Proficient Students

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1)(A)(ii), §206(a))

Information about teacher shortage areas can be found at <http://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in instruction of limited English proficient students in each of three academic years.

Academic year 2012-13

Did your program prepare teachers in instruction of limited English proficient students in 2012-13?

No

How many prospective teachers did your program plan to add in instruction of limited English proficient students in 2012-13?

Did your program meet the goal for prospective teachers set in instruction of limited English proficient students in 2012-13?

Data not reported

Description of strategies used to achieve goal, if applicable:

Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

Provide any additional comments, exceptions and explanations below:

To date, the TCP has focused on secondary (7-12) shortage areas. At our institution, the ESL endorsement is a supplemental K-12 endorsement. Given that some of the candidates/completers in the TCP are fluent in a language other than English, our institution should encourage alternative candidates with special language skills to consider adding the ESL endorsement.

Academic year 2013-14

Is your program preparing teachers in instruction of limited English proficient students in 2013-14?

No

How many prospective teachers did your program plan to add in instruction of limited English proficient students in 2013-14?

Provide any additional comments, exceptions and explanations below:

To date, the TCP has focused on secondary (7-12) shortage areas. At our institution, the ESL endorsement is a supplemental K-12 endorsement. Given that some of the candidates/completers in the TCP are fluent in a language other than English, our institution should encourage alternative candidates with special language skills to consider adding the ESL endorsement.

Academic year 2014-15

Will your program prepare teachers in instruction of limited English proficient students in 2014-15?

No

How many prospective teachers does your program plan to add in instruction of limited English proficient students in 2014-15?

Provide any additional comments, exceptions and explanations below:

To date, the TCP has focused on secondary (7-12) shortage areas. At our institution, the ESL endorsement is a supplemental K-12 endorsement. Given that some of the candidates/completers in the TCP are fluent in a language other than English, our institution should encourage alternative candidates with special language skills to consider adding the ESL endorsement.

Section II Assurances

Please certify that your institution is in compliance with the following assurances. (§205(a)(1)(A)(iii), §206(b)) Note: Be prepared to provide documentation and evidence for your responses, when requested, to support the following assurances.

Preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.

Yes

Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.

Yes

Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.

Yes

Prospective general education teachers are prepared to provide instruction to students with disabilities.

Yes

Prospective general education teachers are prepared to provide instruction to limited English proficient students.

Yes

Prospective general education teachers are prepared to provide instruction to students from low-income families.

Yes

Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

Yes

Describe your institution's most successful strategies in meeting the assurances listed above:

Transitional Certification Program (TCP) candidates complete a core of professional education courses as part of the certification process that are specifically designed to address the above areas. Also, they are receiving practical experience in the classroom at the same time. Additionally, they are mentored by assigned faculty within the school where they have the Transitional Teaching certificate to assist with problems related to situations as they arise.

Section III Assessment Pass Rates

| Assessment code - Assessment name Test Company Group | Number taking tests | Avg. scaled score | Number passing tests | Pass rate (%) |
|--|------------------------------------|----------------------------------|-------------------------------------|------------------------------|
| ETS0730 -PRAXIS I MATHEMATICS Educational Testing Service (ETS) All enrolled students who have completed all noncl | 1 | | | |
| ETS0730 -PRAXIS I MATHEMATICS Educational Testing Service (ETS) Other enrolled students | 15 | 182 | 15 | 100 |
| ETS0730 -PRAXIS I MATHEMATICS Educational Testing Service (ETS) All program completers, 2012-13 | 20 | 181 | 20 | 100 |
| ETS0730 -PRAXIS I MATHEMATICS Educational Testing Service (ETS) All program completers, 2011-12 | 31 | 180 | 30 | 97 |
| ETS0730 -PRAXIS I MATHEMATICS Educational Testing Service (ETS) All program completers, 2010-11 | 34 | 180 | 32 | 94 |
| ETS0710 -PRAXIS I READING Educational Testing Service (ETS) All enrolled students who have completed all noncl | 1 | | | |
| ETS0710 -PRAXIS I READING Educational Testing Service (ETS) | 15 | 182 | 15 | 100 |

| | | | | |
|--|----|-----|----|-----|
| Other enrolled students | | | | |
| ETS0710 -PRAXIS I READING Educational Testing Service (ETS) All program completers, 2012-13 | 20 | 181 | 20 | 100 |
| ETS0710 -PRAXIS I READING Educational Testing Service (ETS) All program completers, 2011-12 | 30 | 182 | 30 | 100 |
| ETS0710 -PRAXIS I READING Educational Testing Service (ETS) All program completers, 2010-11 | 33 | 180 | 33 | 100 |
| ETS0720 -PRAXIS I WRITING Educational Testing Service (ETS) All enrolled students who have completed all noncl | 1 | | | |
| ETS0720 -PRAXIS I WRITING Educational Testing Service (ETS) Other enrolled students | 15 | 177 | 15 | 100 |
| ETS0720 -PRAXIS I WRITING Educational Testing Service (ETS) All program completers, 2012-13 | 20 | 177 | 20 | 100 |
| ETS0720 -PRAXIS I WRITING Educational Testing Service (ETS) All program completers, 2011-12 | 31 | 177 | 31 | 100 |
| ETS0720 -PRAXIS I WRITING Educational Testing Service (ETS) All program completers, 2010-11 | 33 | 178 | 33 | 100 |

Section III Summary Pass Rates

| Group | Number taking tests | Number passing tests | Pass rate (%) |
|---------------------------------|---------------------|----------------------|---------------|
| All program completers, 2012-13 | 20 | 20 | 100 |
| All program completers, 2011-12 | 31 | 30 | 97 |

Section IV Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program.

Is your teacher preparation program currently approved or accredited?

Yes

If yes, please specify the organization(s) that approved or accredited your program:

State

NCATE

Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

No

Section V Use of Technology

Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare teachers to:

- **integrate technology effectively into curricula and instruction**
Yes
- **use technology effectively to collect data to improve teaching and learning**
Yes
- **use technology effectively to manage data to improve teaching and learning**
Yes
- **use technology effectively to analyze data to improve teaching and learning**
Yes

Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

The professional education sequence required of Transitional Certification Program (TCP) candidates is completely dependent on using technology for the coursework. The candidates are also working with school-based technology during their program. Principles of universal design and differentiated instruction are incorporated in the pedagogical practices studied. Participation in the program is technology-based. All candidates must demonstrate their technology competency with every assignment and course. Additionally, required assessments in the capstone clinical experience(s) have technology criteria that are evaluated as part of meeting their student teaching requirement. Candidates also use Taskstream as part of program and course requirements. University faculty are participating in technology workshops designed to enhance their utilization of technology with the Transitional Certification Program candidates.

Section VI Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare general education teachers to:

- **teach students with disabilities effectively**
Yes

participate as a member of individualized education program teams

Yes

- **teach students who are limited English proficient effectively**

Yes

Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

TCP candidates complete mandatory coursework designed to prepare them for effectively teaching students with disabilities and / or students who are limited English proficient. The three course modules are as follows: TE 401 (Context of Education), TE 402 (Professional Knowledge and Skills I), and TE 403 (Professional Knowledge and Skills II). Two clinical courses, TE 404 (Transitional Student Teaching I) and TE 405 (Transitional Student Teaching II) are also required. TE 404, which occurs early in the program (first year), assists candidates with the transition into the classroom. One of the required assignments in TE 404 is the "Case Study of a Classroom". This assignment requires the candidate to specifically identify learners with special needs that they will be working with in their teaching assignment. The initial information obtained about learner needs in Case Study of a Classroom then provides a segue into the topics on learner diversity and meeting their needs in the following required program courses -- TE 401, 402, and 403. The expectations for TE 405 include the "Case Study of a Unit" assignment. This assignment, which includes the gathering of pre-assessment and post-assessment student performance data, requires that candidates modify the curriculum on the basis of data analysis. A key purpose for this assessment is to enhance candidates' skill at effectively meeting the learning needs of all students. The full time faculty teaching and supervising in the TCP have been engaged in a multi-year professional development initiative focused on differentiated instruction. This initiative has elevated the overall quality of instruction provided for candidates.

Does your program prepare special education teachers to:

- **teach students with disabilities effectively**

NA

- **participate as a member of individualized education program teams**

NA

- **teach students who are limited English proficient effectively**

NA

Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

The TCP Program is not considered to be appropriate for the licensure of special education teachers. There is no undergraduate major that provides the supporting coursework needed for the special education licensure area. Thus, candidates interested in special education are required to take the traditional initial licensure program. Initial endorsement programs in special education and English as a Second Language (ESL) are delivered in both the face to face and online formats. The availability of two different delivery formats enhances the overall quality of our programming.

Section VII Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card. The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.

For Section I. c Enrollment, the numbers provided are candidates currently enrolled in the program who DID NOT complete the TCP during 2012-2013. To qualify for a Transitional Certificate, candidates must have earned, at a minimum, a baccalaureate degree. Candidates must also have completed a minimum of 75% of the coursework required by the Nebraska Department of Education in the subject area for which they are seeking endorsement with a minimum grade point average of 2.75 in that coursework. In addition, they must have been offered employment by a school district that was unable to find a fully certified teacher as prerequisites for admission into the program. Any remaining content/discipline-specific coursework in the content area must be completed prior to program completion. Prior to program completion and recommendation for licensure, candidates are also required to successfully complete the PRAXIS I (PPST). Successful completion of the PRAXIS I is based on using a total score calculation for all three tests. The sum total score must be at least a minimum score of 513. Successful completion of the PRAXIS I is a pre-requisite for enrollment in TE 403. Prior to program completion and recommendation for licensure, candidates must also successfully complete all required coursework and clinical field experiences and maintain a minimum GPA of 2.75. Candidates in the TCP are issued a special Transitional Teaching Certificate that must be renewed annually. Renewal requires achieving the specified rate of progress of 6 credit hours. The Certificate is used throughout the entirety of the two year TCP. The combination of the TE 404 and TE 405 clinical experiences meet state of Nebraska field experience requirements for initial certification. Candidates in the program are required to complete an initial field experience/student teaching requirement (TE 404, Transitional Student Teaching I) in the first year of the program. They teach in their respective school district and complete the second clinical component (TE 405 Transitional Student Teaching II) in the semester following completion of their coursework. Converting the TCP to a two year program (in prior years the program was three years in length average) had two key impacts on this TITLE 2 Report: (a) the process of gaining formal admission to the program was accelerated—candidates are meeting the admission requirements earlier; and (2) the number of students in field experiences is narrowed to those candidates enrolled in TE 404 or TE 405 each year. Beginning with the Fall 2013, the TCP will undergo a significant change; the sequence of courses and field experiences will be converted to the graduate level (800 level). It seems likely that this change will prove to be more attractive for prospective TCP candidates. TCP Advisory Council members also expressed enthusiastic support for this change.
