Entrepreneurship Tic-Tac-Toe is a fun and interactive way to discuss an entrepreneur's need for leadership while at the same time demonstrating the value of cooperation within the business, while competing with others outside of the business.

The game uses the age-old tic-tac-toe game that most everyone has played at some time in life.

Entrepreneurship Tic-Tac-Toe, however, allows students to first compete, and then cooperate, and to see the differences in results within a group.
