# World Language Cadre

Joining Together to Improve World Language Education

Thursday, May 29 & Friday, May 30, 9:00-3:00

This two day kick start to the ESU World Language Cadre will focus on fostering self-regulated learners in the World Language Classroom. We will explore the implementation of a cyclical unit design entailing self-assessments, goal setting, strategy building and self-reflection. The goal is to leave this two day training with a clear implementation plan.
