APPLICATION OF INTENT
Visiting Chinese Teacher Program

Office of Chinese Language Council International (HANBAN)
Nebraska Department of Education

This Application of Intent does not obligate the local school system to hire teachers from China at this time.

Please complete a separate form for each possible teaching position available.

Local School District Name _____

Local School District Contact _____

Local School District Address _____

Phone Number _____ Fax Number _____

Possible School Placement _____

Principal's Name _____

Teaching Assignment _____

School Address _____

Phone Number _____ Fax Number _____

Describe the teaching environment of the above school. Please include the levels of other world language instruction offered and the number of world language teachers on staff.

Who will serve as central office administrator liaison for the teacher?

Who will be the department's contact with the school system during the interview process? Please include phone and fax numbers where this person can be reached.

Phone Number _____ Fax Number _____

Who will serve as building-level administrator liaison for the teacher? Please include the name and title of this person.

Who will serve as a teacher mentor? As a mentor, describe what this person will provide.

Who will be responsible for assisting the visiting teacher in securing and setting up housekeeping, obtaining a car and drivers license?

Please describe the town/neighborhood where the teacher would most likely want to live.

What additional support can your school or school system provide for the visiting teacher?

Please return this form to:
