Process to Request State Board Approval

Submit a letter, email, or fax to the Department of Education, School Finance & Organization Services to receive State Board approval for any of the exclusions listed above. For Special Grants not listed on the Special Grant Fund List or one or more of the Supplementary Grants, the letter, email, or fax should provide details of the purpose of the grant and the amount of funds anticipated to be received. For the remaining exclusions, the letter, email or fax should provide details of the additional expenditures relating to the exclusion.
