

Targeted Teaching Topic

Author: Kendra Kortus
School: Andersen Middle School

Summary of Topic:

Choices You Make as a Teen are Lifelong.

Main Curriculum Tie:

Teen pregnancy, STDs, and STIs.

Required Materials for Lesson:

Choices cards.

Background for Teacher:**Student Prior Knowledge:**

Teen pregnancy information. What STDs and STIs are and how they can be prevented.

Intended Learning Outcome:

Students will identify how choices they make as teenagers can be lifelong.

Instructional Procedure:

- Write on cards things like:
 - Pregnant at age 16 and boyfriend works but you don't. He is physically abusive.
 - Graduated high school, contracted an STD in college, then got married.
 - Students are dealt a card. Have them take steps forward and backward.

How to Measure Outcome:

Discussion and evaluate choices.
