

reVISION Action Grant Closeout Report

Submit a closeout report for each major activity funded by your approved Action Grant.

After completion, please save a copy to your desktop.

Local Education Agency (LEA):

Modifications/Changes to the original reVISION Action Grant Plan

Describe any modifications made to your original reVISION Action Grant Plan including a brief description of why the changes were necessary and how the changes impacted the outcomes.

Activity:

(This can be cut and pasted from the original Action Plan description.)

Outcomes:

Highlight the outcomes achieved through the targeted investment of these funds on your Career and Technical Education Programs and/or school career guidance program. What was accomplished that improved career education?

Plans to Sustain the Activity/ Recommendations for the Future

Briefly describe how you will sustain this activity following the closeout of this year's Action Grant. Identify recommendations for future efforts based on the outcomes achieved and/or lessons learned from this Action Grant activity.
