Title III LEP and Immigrant Counts (Due April 13 at 5:00 p.m.)
Contact: Nancy Rowch (402.471.2477 or nancy.rowch@nebraska.gov)

The April 2nd due date has been extended to April 13th because of the data conference on April 2nd and 3rd.
In April, we will be pulling data from NSSRS to ensure that we have the most current numbers of limited English proficient (LEP) and immigrant students. This data will serve as the basis for district allocations for the 2012-2013 school year for both the Title III LEP and Title III immigrant programs. The following NSSRS fields are used in determining the Title III allocations: Field 95, LEP eligibility and Field 89, Immigrant indicator. Please check your data to ensure that it is updated.

**GMS: “SPED IDEA Consolidated” Contracted Services Reimbursement Requests Now Available**
Contact: NDE Helpdesk (888-285-0556 or nde.helpdesk@nebraska.gov)

“SPED IDEA Consolidated” reimbursement requests within the Grants Management System for contracted services (object code 300) became available for submission on March 27. “SPED IDEA Consolidated Payments Instructions” are available ([http://www.education.ne.gov/FOS/GrantsManagementSystem/SPED_IDEA_SESP_instructions_reimbursement_request.pdf](http://www.education.ne.gov/FOS/GrantsManagementSystem/SPED_IDEA_SESP_instructions_reimbursement_request.pdf)).

Documentation should include district’s accounting records (i.e., Expenditure Audit Report) and billings for approved Contracted Service Providers. If your district is claiming for Object Code 100—Salaries, staff names must be included in the documentation; however, staff names are not needed for substitutes.

The SPED IDEA Consolidated reimbursement process has a tab strip similar to the application side of the system. The tab strip navigation is completed from left to right and will consist of the following:

**Payment Overview:** Short summary.

**Reimbursement Request:** Same look and functionality as an original consolidated reimbursement (RR) request with the exception of the <SUBMIT> button.

**Service Provider:** This page will be required if object code 300 was selected on the RR.
**CEIS Final RR Questions**: Questions that are required only if the CEIS on the RR has been marked final.

**Submit**: Something new to the Reimbursement Request is the Submit tab. The Consistency Check must be run before submitting any request. If the Consistency Check finds errors, the errors must be corrected and the Consistency Check must be run again. Once the Consistency Check returns with no errors, the request may be submitted.

**Service History**: Brief summary of provider information off of already approved requests. It displays the provider ID, name, service code, through date, total, reviewer initials, RR# and program.
