Perkins Programs of Study (POS) – District Offered Courses Extracted from NSSRS

Contact: Matt Hastings (402-471-3104 or matt.hastings@nebraska.gov)

Pursuant to the memo released on 05/02/2012, the Nebraska Department of Education has extracted district offered Program of Study course sequences from the Student Grades template of the Nebraska Student and Staff Records System (NSSRS). A listing of Programs of Study offered by school for the 2011-2012 school year are now available for review under the “Resources” section of the Secondary Perkins Accountability webpage.

Specifically, two reports are available for review. The first report extracts from the 2011-2012 Student Grades template district offered Programs of Study using the *initial* (old) State Model Programs of Study (POS) course sequences. The second report extracts from the same data – the 2011-2012 Student Grades data – district offered Programs of Study (POS) using the *revised* (new) State Model Programs of Study (POS) course sequences.

All districts are encouraged to review this information for accuracy. In the coming days, this information will be displayed on the 2011-2012 State of the Schools Report (SOSR) website.

ESEA/NCLB Requests for Reimbursement

Contact: Diane Stuehmer – (402-471-1740 or diane.stuehmer@nebraska.gov)

If your district / ESU has not yet submitted any requests for reimbursement for the 2012-13 school year for ESEA/NCLB programs, we encourage you to do so soon. When all funds have been expended for a particular program, the request can be submitted as a “Final.”

NDE encourages districts to submit requests for reimbursement on a regular basis. This may not be the same for every district. Some may choose to submit quarterly, while others opt to submit monthly requests. It is advisable to submit requests for reimbursement more than once a year. Districts / ESUs have the option of submitting separate requests for salaries / benefits, and another for other expenditures. Providing appropriate documentation will speed up the review process.

The following expenditure items **always** require supporting documentation.

- Credit card purchases
- Travel expenditures require adequate documentation
- Purchases of food must be specific and allowable under program guidelines
- Petty cash purchases
- Reimbursement to individuals
- Allowable field trips must include the educational value

Substitute Teachers in the Consolidated Data Collection – Due June 14, 2013

Contact: NDE Helpdesk (888-285-0556 or nde.helpdesk@nebraska.gov)

Needs to be completed by ESUs, Public, Nonpublic, State Operated and Interim Programs.

Prior to May 6th, 2013, **only 34 school districts or systems** have submitted any data for Substitute Teachers in the Consolidated Data Collection. That means **452 districts/systems have only 36 days** to complete and submit this report. **June 14, 2013 is the Due Date.**

If you are a school that has always waited on submitting this data, this data must be submitted before your school leaves at the end of the current school year!

This data collection will permit you to upload/enter data regarding substitute teachers that have already been employed during the 2012-13 school year and receive feedback on any data errors or potential violations by your school if the individual does not currently hold a valid Nebraska certificate. By uploading/entering data now, your school will have sufficient time to correct any errors or potential violations to ensure that any substitute teachers hold a valid Nebraska certificate before the data collection closes on June 14, 2013.

Note, the Nebraska Performance Accountability System (NePAS) will be released to the public in August without graduation component.
