Federal Office of Management and Budget approval of the 2013-2014 Civil Rights Data Collection.

The Civil Rights Data Collection (CRDC), conducted biannually by the U.S. Department of Education’s Office of Civil Rights (OCR), will be collected from every public school and district for the 2013-2014 and the 2015-2016 school years. The Federal Office of Management and Budget (OMB) has now approved the 2013-2014 and 2015-2016 CRDC, and the information concerning these collections can be found at http://www.ed.gov/ocr/data.html.

The major phases of the 2013-2014 data collection include:
Fall 2013 – Early Summer 2014: Districts gather data elements collected on the CRDC.
Fall 2014 – Winter 2014: Survey submission window for districts to submit their data to OCR.

NDE wants to ensure that Nebraska districts are aware that this collection is coming up and what data elements will need to be reported. Documentation concerning these data elements can be found at the link above, including new elements that will be required for the 2013-2014 collection.

If you have questions about the 2013-2014 CRDC, please contact the USDE Office of Civil Rights at ocrdata@ed.gov.

Student Match Data - National Student Clearinghouse “StudentTracker”
Contact: NDE Helpdesk (888-285-0556 or nde.helpdesk@nebraska.gov)

The National Student Clearinghouse data download is now available for 2012–2013 graduates. For many districts, this resource is used to support data matching and follow-up requirements for state and federal reporting (e.g., Carl D. Perkins Career Education) in addition to tracking and assessing the educational achievement of former students.

To access this information, enter the NSSRS Validation section of the NDE portal. Next, locate the “Data Downloads” tab in the blue options ribbon at the top of the page. Beneath the “Data Downloads” tab, you will find the “Student Clearinghouse” option. Selecting the “Student Clearinghouse” option provides an overview of the National Student Clearinghouse, the StudentTracker system, as well as external links for more information. At the bottom of the page you will find links to Excel data file(s) which contain the student match information from the National Student Clearinghouse StudentTracker for your school district. The year represented by the link indicates the academic year in which the students contained in the file graduated with a diploma (only
students graduating early or on-time are included in the file). Details explaining the data elements included in the Excel files are also provided.

Reminder!
Consultation with Nonpublic Schools for 2014-15 School Year Due May 1, 2014
Contact: Diane Stuehmer (402-471-1740 or diane.stuehmer@nebraska.gov) or Edy Clark (402-471-2481 or edy.clark@nebraska.gov)

Nonpublic consultation information was sent to Public School Superintendents and Title I listserv on March 10, 2014. Forms are due to NDE Federal Programs Office on or before May 1, 2014. The nonpublic consultation lists and forms NDE 34-014 & NDE 04-012 are available at http://www.education.ne.gov/federalprograms/ESEA_NCLB_Programs.html, or http://www.education.ne.gov/federalprograms/Title%20IX.html beneath the header “Nonpublic Consultation Information.”

The Uniform Provisions Section 9501 of the Elementary and Secondary Education Act (ESEA), reauthorized as the No Child Left Behind Act of 2001 (NCLB), requires that every district receiving grants for federal program(s) provide equitable services and meet the needs of eligible Nonpublic School students and/or teachers and other education personnel. Every public school district in Nebraska having one or more nonpublic school(s) located within the district’s geographic boundaries must submit a signed Nonpublic School Participation Form (NDE 34-014) on an annual basis for each nonpublic school located within its boundaries.

Districts with Title I programs must contact all nonpublic schools where any low-income children from their district attend to determine if the low-income nonpublic students reside in an eligible attendance area. Districts must conduct a consultation and complete a copy of Form NDE 04-012 for each nonpublic school reporting low-income students. The consultation should include use of remaining school year 2013-14 Title I funds as well as the 2014-15 allocations. The Free and Reduced Lunch data was submitted by nonpublic schools in the fall of 2013 on the “Nonpublic Membership Report,” which is in the NDE Consolidated Data Collection (CDC).

If you have questions, please contact Edy Clark at edy.clark@nebraska.gov or 402-471-2481. You may also contact the NDE staff person responsible for reviewing the ESEA/NCLB application for your district.
