This is a reminder for School Districts uploading their Monthly/Year-End Special Education Snapshot. Please remember to upload a complete file of all special education students served with verified disabilities this school year in the first upload to 2014-2015 Year End Collection. Information uploaded to the October Snapshot submission window (2014-10-01) does not automatically carry over into the Year-end Sped Snapshot (2015-06-30). After the initial upload for year-end, individual records can be uploaded in the monthly updates. A monthly Special Education Snapshot must be submitted when there are new students in special education and whenever there are changes in Physical Therapy, Occupational Therapy or Speech Therapy services.

Monthly/Year-End Sped Snapshot templates should be uploaded into the “**2014-2015 Year End**” collection window, using the **snapshot date of 2015-06-30**.

The Monthly/Year-End Special Education Snapshot is the source of special education data to be compared with data provided by the Department of Health and Human Services (DHHS) that occurs on the **24<sup>th</sup> day of each month** for the purpose of creating the Medicaid in Public Schools (MIPS) claim forms/lists. Participation in MIPS is required by Nebraska Revised Statute 43-2511.
