Due Date: November 1

Contact: nde.aquestt@nebraska.gov or Matt Hastings – (402-471-4483 or matt.hastings@nebraska.gov)

Rule 10 Assurances Form

Beginning with the 2015-2016 school year, the Rule 10 Assurances form shall be completed electronically in combination with the new AQuESTT Evidence-Based Analysis (EBA). This new format will provide a complete listing of Rule 10 requirements where districts are to identify any areas of noncompliance. Districts will also have an opportunity to provide clarifications for areas of noncompliance they may be in the process of correcting. The new format includes a place for the electronic superintendent signature and must be submitted online as part of the EBA.

AQuESTT Evidence-Based Analysis (EBA)

AQuESTT – Accountability for a Quality Education System Today and Tomorrow – is Nebraska’s next-generation accountability system. It aims to meet and exceed statutory requirements for accountability (R.S.S 79-760.06 and 79-760.07) by considering the broader educational experiences and success of students. As part of the AQuESTT process, districts and schools are asked to complete an electronic Evidence-Based Analysis (EBA) designed to obtain information to support AQuESTT processes.

On August 18, district superintendents were sent an email from NDE (nde.aquestt@nebraska.gov) containing a unique, district-specific web link for completing the District EBA online. Likewise, on August 18 school building principals were also sent an email from NDE (nde.aquestt@nebraska.gov) with a school-specific web link unique for completing the School EBA online.

Superintendents/principals who have not received their EBA invitation should contact NDE as soon as possible to arrange receipt of their District/School EBA links.

NOTE: Districts/schools may find it helpful to review the EBA with faculty and/or staff before submission. You can access a PDF copy of the district and school EBA instruments at the following link: <http://aquestt.com/resources/>. The PDF versions should be used for review of the EBA only. Official responses must be submitted online using unique web links provided to district/school administrators on August 18.

Staff Reporting 2015-2016 – Audit Window: September 16 – November 2

Contact: NDE Helpdesk (888-285-0556 or nde.helpdesk@nebraska.gov)

Are you sure you are done with Staff Reporting?

First, make sure the District/System name at the top of the collection is GREEN. If it is not green, then that means you have errors. You can look at ALL staff to see who is still red (see ALL button by alphabet) OR you can click on Errors only button (at the end of the alphabet). When all errors are resolved the District/System will be GREEN. If you need to delete some staff, there is a button in the middle of the collection called Delete Demographics & Related Position Recs. If you added staff, you need to be sure they have a Position Assignment Record as well as a Demographic Record.

When District/System are GREEN, the next step is to go to NSSRS Validation, Errors, Reprocess Errors, Staff Templates. If there are no errors, then go to Verification Reports, Staff and review the Current Personnel Report. If that all looks complete and accurate, you are done with Staff Reporting. If you have errors in NSSRS Validation for Staff, go back to Staff Reporting and fix those that you can, like adding email addresses, experience, etc. If the errors are related to the staff member’s certificate, work with Teacher Certification to resolve certificate errors.

Endorsement Changes

There have been some changes to endorsements over the course of the last couple of years. This may result in different endorsement names in the Clearing Manual as compared to the endorsement names appearing on actual certificates. In most cases, when endorsement changes are made, the changes/adjustments are reflected on the individual's online certification information. Changes are generally made to not negatively impact individual or employing systems. You can check the current endorsements held by an individual at: https://dc2.education.ne.gov/tc_lookup/. A chart which cross-references endorsement name changes is accessible at: <http://www.education.ne.gov/EducatorPrep/ResourceDocs/Rule24Changes090215.pdf>.
