NCLB Funding for 2011-12

Contact: Diane Stuehmer, Federal Programs Director (402-471-1740 or diane.stuehmer@nebraska.gov)

Though NDE is still awaiting final 2011-12 allocations for programs included in the NCLB Consolidated application, **preliminary state allocations** and changes from 2010-11 to 2011-12 are:

Title I, Part A has an increase of approximately .68%

Title II, Part A has a decrease of approximately 17.2%

Title III has a decrease of approximately 3.2%

There will be no formula funding for Title II-D, Title IV-A, or Title V. This is the same as 2010-11.

Final allocations for districts will be disseminated once final amounts are available and district eligibility is determined. For budgeting purposes, Title I still has the 85% ~~carryover limitation~~ hold harmless provision but only if the district remains eligible. Stay tuned.
