FEA ANNOUNCES AWARD WINNERS

Nearly 150 Nebraska high school students recently attended professional development workshops and participated in competitive events at the annual Nebraska Future Educators Association (FEA) State Career Development Conference in Omaha.

Many Nebraska FEA students will now join hundreds of other students from across the nation at the 26th annual National FEA Conference in Washington, D.C., in April.

Nebraska FEA's mission is to recruit and provide experiences and skills for students who are exploring teaching as a future career. FEA students develop essential skills that will better ensure that Nebraska has highly trained and qualified teachers. FEA helps students gain a realistic understanding of the nature of education and the role of a teacher.

The following were named new officers and/or FEA award winners:
