TO: Nonpublic School Superintendents

FR: Dr. Roger Breed, Commissioner of Education

RE: Delay of Student Level Data

Several months ago you were notified by the Department of the intention that you would be required to submit individual student data to the Nebraska Department of Education (NDE) via the *Nebraska Student and Staff Record System* (NSSRS) beginning in the fall of 2010. The purpose of this letter is to inform you that I have decided to delay the submission of student-level data to NDE by nonpublic schools and school systems. This fall, nonpublic schools began to submit individual staff data via the NSSRS and I appreciate your work in that process.

I hope this decision will not place a hardship on school systems that have made changes to their data system in anticipation of this requirement. NDE will consult with you and keep you informed as we continue to develop our state-level data systems.
