

Early childhood education programs recommended for approval for 2015-2016

Background Information:

The districts and Educational Service Units (ESUs) on the list for approval submitted the required reports and Statement of Assurance indicating compliance with Rule 11 for the school year 2014-15. NDE Early Childhood staff verified compliance based on a review of information and follow-up with programs, as needed.

Two hundred seven (207) programs established by districts and ESUs are submitted for early childhood education program approval for the school year 2015-16. This is an increase of thirteen (13) from school year 2014-15.
