RE: Proposed Non-substantive Changes to Hearing Draft

Presented by: Freida Lange, Administrator of Accreditation and School Improvement

1. Correct spelling of AQuESTT throughout the document. Originally, a space was placed between the A and QuESTT. It has been determined that the acronym for *Accountability for Quality Education for Students, Today and Tomorrow*, should be spelled, AQuESTT.
2. The term, English Language Arts, is synonymous with language arts within all sections of Appendix A. This statement will be inserted into the “Scope and Application” section of Appendix A, page 1.
3. Update statutory language in Appendix F to include the language added by the State Legislature in 2011 in LB544.
4. Section 010.02B3a shall be revised to read, . . . “Data required to be reported to the Department for all public schools and districts pursuant to Subsections 005.02 through 005.02C, 009.01A, and 009.01B in this Chapter, and,” . . .
