**PROPOSED AGENDA ITEM:** Update on the Nebraska Mathematics Standards Review and Revision. – No Action Required

#### **RATIONALE/BACKGROUND INFORMATION:**

In April of 2015 the State Board approved the release of the Nebraska Mathematics Standards for public review and input. The standards have been drafted with the goal of ensuring that rigorous K-12 academic standards are in place that will prepare all Nebraska students to be college and career ready. Over the past 8 weeks there have been multiple opportunities for educators, the general public, and invited representatives to offer comments and suggestions. This update will share information on the details of public input thus far and share the timeline for additional input opportunities as well as the estimated adoption of the standards

#### **ESTIMATED COST:**
