NEBRASKA STUDENTS AWARDED SEALS OF BILITERACY

The Nebraska Department of Education and the Nebraska International Language Association have awarded 101 Seals of Biliteracy to 98 Nebraska students this semester. It is the first time that a Nebraska Seal of Biliteracy is issued for Filipino and Korean.

The Nebraska Seal of Biliteracy is a collaboration between the Nebraska Department of Education (NDE) and the Nebraska International Language Association honoring high school students who have achieved a high level of proficiency in English and at least one other language.

Students apply for the Nebraska Seal of Biliteracy after demonstrating proficiency based on the Nebraska World Language Standards structured around communication, cultures, connections, communities, and cognition within a language other than English.
