The bear is very hungry and he goes to McDonald’s in Osito, Nebraska. In McDonald’s, the menu is written in bear. The bear is very happy and he eats a lot.
**Activity Sequence**

**Input**
1. Complete the Frayer Vocabulary Model using the words from the story.
2. Give each student a sheet of white paper with nine squares. Tell the students an animal from the story, and the students draw that animal using the color indicated. They then pass the paper to their right. Tell the students to draw another animal from the story in a second square and then again pass the paper to the right. Continue this procedure until all squares are filled. Each student will then have nine squares with the animals from the story. These may then be cut up and used as flash cards.
3. Go over the memory chant of numbers and actions.
4. TPR
   Write the following words on the board and demonstrate them using TPR
   
   - **tu vois** – you see
   - **qui me regarde** – who looks at me

5. Visuals
   Read the story showing visuals to aid in comprehension.
6. Rhythmic Reading
   Read with the students selected phrases slowly and then more quickly as a train would sound.

**Guided Practice**
1. Living Order
   Students do a living order of the visuals.
2. Matching Cards
   In small groups, students match the picture with the correct corresponding word in French.
3. Group Story Sequence
   Put all visuals on the floor. As a group, students put the cards in the correct order.
4. Story Sequence Cards
   In small groups, students sequence the cards in the order they appear in the story.
5. Color Hunt
   Individual students or small groups of students find three things in the classroom that are the color of their color card in French. They then draw the three objects and have other groups guess their color from the objects drawn.
6. Touch Blue Not On You
   All of the students stand up. The teacher says a color, and each student must touch that color. However, the color cannot be on themselves.
7. Color the Picture
   Pass out the animal template and tell the students to color each animal a different color from that in the story. For example, you might say color the
   
   (horse yellow); color the 
   " (frog brown) etc.
8. Other color activities
   - Four Corners Activity: The teacher picks four colors from the story and then asks the students to go to the corner of the color they like best or the color that they are wearing etc.
   - Show Me Activity: The teacher gives the students swatches of color or color samples from a paint store and then says different colors as the students hold up the correct color from their swatches or samples.
   - TPR Activity: The teacher says the following: “Those students with les chemises rouges (red shirts) stand up. Those students with les yeux verts (green eyes) stand up.”

9. Memory Number Chant
   Students do the number memory chant that links French to English sounds.

10. Show Me the Number
    Students hold up the correct number of fingers as the teacher calls out a number.

11. More/Less
    Each student has a large number on his/her back. The student does not know what that number is. He or she must then ask other students plus (more) or moins (less) to determine that number.

12. Number Problems
    Students will be given a number so that everyone can see it. The +, - and = signs are posted at the front of the room. The teacher gives an answer such as 2, and the students must find other students to create a problem that will equal that answer.

13. Partner Number Problems
    One partner holds up fingers. The other partner then adds or subtracts the numbers to arrive at the correct answer. The partner must say the number problem as well as the answer in the target language.

14. Write the Number
    Students write the number in the air or in shaving cream on the desk as the teacher says it in the target language.

15. Pipe Cleaner Activity
    The teacher says a number in the target language, and the student creates that number behind his/her back with a pipe cleaner.

16. Guess the Animal
    Get cheap stuffed animals at garage sales or use picture of animals and put them in a bag. Describe the animal and have the students guess which animal in the bag you are describing. Extend the language as appropriate to the age and knowledge of the teacher and students.

17. Animal Jeopardy
    Ask the students questions in English, and have them guess which animal you are describing. (Example questions are at the end.)

18. Question Activity
    Put an animal on the back of each individual. Students try to determine the animal by asking only yes/no questions.
19. Animal Match
Color the animals, the same on both sides of the handout. Cut the handouts in two and pass out to the students. Students must find their match by asking other students only using the target language.

20. Other Animal Activities
- Animal Capsules: Using the capsules in hot water that turn into animals have the students guess what animal it will be.
- Create a New Animal: Using parts from different animals, create a new animal.
- Animal Action: Give each student a picture of an animal. Students pass the picture and put an action with it.
- Question Circle: The teacher will ask simple questions such as **Qui a trois chiens?** (Who has three dogs?) The students will step forward if yes and backward if no.

21. Categories
Sort words in the packet into categories: colors, numbers, animals. Don’t tell them what the categories are, just tell them to sort the words into categories.

22. Retell Story
Using visual prompts, students retell the story as a group or they may retell the story to a partner.

**Extensions**

1. Alphabet Activity
   A-Z - say and repeat the alphabet in French
   On the alphabet worksheet, students fill in the words in French that they remember.

2. Original Story
   In pairs, students create their own stories. They may include other animals as long as they are cognates in French. They need to select a color for their animal. Remember in “Brown Bear” the author included a purple cat. They may draw illustrations of their animals. Select one or two groups to tell their stories.
   - le zèbre – zebra
   - le rat – rat
   - le kangourou – kangaroo
   - le tigre – tiger
   - le lion – lion
   - le serpent – snake
   - l’insect – insect
   - le crocodile – crocodile
   - l’éléphant – elephant
   - la girafe – giraffe
   - la gorille – gorilla
   - le chameau – camel
   - le bison – buffalo

**Closure**
One last retell of the story with the students filling in the blanks when the teacher pauses.
