

# Application for Nebraska Teacher of the Year 2012

The **Nebraska Awards of Excellence Program**, which features selection of the **Nebraska Teacher of the Year**, serves to recognize the contributions of the classroom teacher. Candidates should be exceptionally dedicated, knowledgeable, and skilled teachers; have the respect and admiration of parents, colleagues, and students; play active and useful roles in the community as well as in the school; be poised and articulate; and possess the energy to withstand a busy schedule. The most important criterion is a superior ability to inspire students of all backgrounds and abilities to learn.

The Nebraska Application Review Committee examines all applications submitted and selects up to five **Award of Excellence Teachers**. Each of the Award of Excellence Teachers will be interviewed to determine the **Nebraska Teacher of the Year**, who will be eligible for consideration as the National Teacher of the Year.

## Application Guidelines

## Background Information

The National Teacher of the Year Program originated in 1952 and continues to recognize teachers on the local, state, and national levels. The Nebraska Teacher of the Year Program has been in place since 1972 and affords opportunity to honor dedicated teachers for excellence in the classroom. In association with the National Teacher of the Year Program, sponsored by ING and Target, is a project of the Council of Chief State School Officers in partnership with University of Phoenix and People to People Ambassador Programs.

In order to encourage innovative educational programs to benefit students and local school districts, the Nebraska State Board of Education awards a \$1,000 grant to each of the finalists so that each honored teacher can pursue an educational project of special interest. Since 1988, teachers and their students have acquired (or produced) special curriculum materials, purchased classroom technological equipment, acquired new skills through attendance at seminars, studied arts and humanities, sponsored student field trips, and purchased unique items not otherwise budgeted for (such as art work for display and a school sign for placement outside a new building).

The Nebraska Teacher of the Year Program has received financial support from BlueCross BlueShield of Nebraska, SMART Technologies, the Nebraska Council of School Administrators, the Nebraska State Education Association, the Nebraska Association of School Boards, Nebraska PTA, Data Recognition Corporation (DRC), and Dillard's in Lincoln, Nebraska. These sponsors and other friends of the Nebraska Teacher of the Year Program provided stipends to the Award of Excellence recipients and to the Nebraska Teacher of the Year. The amounts for 2012 have yet to be established; however, in 2011 the Teacher of the Year received mementos, gifts, \$3,000 and educational equipment valued at over \$17,000. The Awards of Excellence recipients received mementos, gifts, \$1,700 and educational software.
