# TERMINOLOGY

**Class of District – Public school districts in this State are classified as follows:**

- Class 1** - Any school district that maintains only elementary grades.
- Class 2** - Any school with territory having a population of one thousand inhabitants or less that maintains both elementary and high school grades.
- Class 3** - Any school district with territory having a population of more than one thousand and less than one hundred fifty thousand inhabitants that maintains both elementary and high school grades.
- Class 4** - Any school district with territory having a population of one hundred thousand or more inhabitants with a city of the primary class within the territory of the district that maintains both elementary and high school grades.
- Class 5** - Any school district with territory having a population of two hundred thousand or more inhabitants with a city of the metropolitan class within the territory of the district that maintains both elementary and high school grades.
- Class 6** - Any school district that maintains only a high school, or only a high school and grades 7 and 8. The territory of Class 6 districts is made up entirely of Class 1 districts (or portions thereof) that have joined the Class 6.

**Operating Status of Local Public Districts as of the Last Friday in September:**

- 1) **Operating** – the district operates an instructional program.
- 2) **Not Operating** – the district does not operate an instructional program.
  - a. **Contracting All Students** – all students are contracted to other districts or agencies.
  - b. **No Students** – this district has no school age children for which it is responsible.

**Elementary:** Represents data for elementary schools (6-year or less elementary, 7-year elementary, 8-year elementary, middle school, and Special Education).

**Secondary:** Represents data for secondary schools (2-year junior high, 3-year junior high, 3-year senior high, 4-year senior high, 5-year secondary and 6-year secondary).

**Full-Time Equivalency (F.T.E.)** – The indication of the time an individual spends in a position as it relates to the total time in a work week for that position assignment. For example, a half-time employee would have an F.T.E. of .50. In all cases, a full-time employee would have an F.T.E. of 1.00. Please note: F.T.E. is not to be interpreted as the number of individuals.

**Membership:** Count of students on the current role on the last Friday in September.

**Note:** “County Membership” figures represent the aggregation of districts/systems whose administrative offices are located in the county. Example: If a district crosses county lines, their full membership is shown in the county in which the administrative office is located.
