| Materials Needed: | 1. Content-specific reading passages  
2. Highlighters or colored pencils  
3. Whole class viewing device.  
4. Create an anchor chart (poster) with close reading steps. |
| Strategy Overview and Rationale: | “Close reading is a careful and purposeful rereading of a text. It’s an encounter with text where students really focus on what the author had to say, what the author’s purpose was, what the words mean, and what the structure of the text tells us.” (Douglas Fisher)  
Close reading is a strategy that will support students in developing critical reading skills. |
### Step-By-Step Instructions:

*During instruction, adhere to a gradual release of responsibility.*

**First**, explain and model the strategy for students (ME) and then have the class complete the strategy together (WE). **Next**, put students into pairs to practice the strategy (TWO), and **finally**, have the students work independently to complete the strategy (YOU).

1. The teacher models the process of close reading with a short grade-appropriate passage.

   While modeling, complete the following steps:
   
   a) Read the text (read with a pencil and record unknown words)
   
   b) Reread the text for a deeper purpose (annotate, I think, I'm confused, This is important…)
   
   c) Write about the text (provide evidence to support ideas).

2. The students practice close reading as a whole class.

3. The students work with a partner to do close reading.

4. The students do close reading independently.

| • During pair work, work with student individually.  
  • Provide visual supports in explaining author’s purpose (explain, inform, entertain…).  
  • Students may point to parts of the text.  
  • Provide sentence frame with word bank of choices.  
  “The author’s purpose is ___.”  
  Explain, inform, entertain... | • Provide sentence starters for students to discuss text features and author’s purpose.  
  “I think the author’s purpose is ___ because___.”  
  • Provide an anchor chart or checklist to help guide partner discussion. | • Provide sentence frames for elaborating, agreeing and disagreeing, and providing evidence.  
  “I agree/disagree because __.”  
  “Where do you think that?” etc. |
